Friday, December 22nd – Observed (Eve)
Monday, December 25 – Christmas Day

Monday, January 1st – New Year's Day

2024

WINTER SAFETY TIPS!

Winter construction can pose unique challenges and safety risks due to cold temperatures, icy conditions, and reduced daylight hours. Here are some winter construction safety tips to help workers stay safe on the job:

1. Dress warmly and stay dry.
2. Maintain equipment for cold weather.
3. Ensure visibility with high-visibility gear.
4. Clear snow and ice regularly.
5. Prevent slips and falls with anti-slip measures.
