PROJECT HIGHLIGHT

NORTH BRUNSWICK HIGH SCHOOL

Our Project Highlight for this month is located at the North Brunswick High School job site where our Civil division is making significant progress. The utility crew is installing a storm sewer by the rear pond, while the grading crew focuses on two main tasks. They're currently installing the All-Weather Access Road, ensuring inspection and testing compliance. Recent accomplishments include grading and installing the Temporary Classroom Trailers' sidewalk. Next, the grading team readies the site for curb and gutter installation and adjusts the softball field's elevation. Afterward, they will transition to the front pond area, where they will prepare for tennis court construction. This involves exporting materials and subsequently conducting the necessary grading work.

HAPPY NATIONAL CONSTRUCTION APPRECIATION WEEK!

EACH YEAR, NATIONAL CONSTRUCTION APPRECIATION WEEK CELEBRATES THE DEDICATED, HARDWORKING MEN AND WOMEN OF THE CONSTRUCTION INDUSTRY.

ON BEHALF OF CWC, WE EXTEND OUR APPRECIATION TO ALL OF OUR EMPLOYEES!

September 18th - 22nd

EMPLOYEE OF THE MONTH - RAIL

WE ARE THRILLED TO ANNOUNCE RONALD BRINKLEY AS OUR EMPLOYEE OF THE MONTH.

HIS EXCEPTIONAL ATTITUDE, WILLINGNESS TO WORK HAS SET A REMARKABLE STANDARD.

RONALD'S DEDICATION SERVES AS A SHINING EXAMPLE TO HIS COLLEAGUES. CONGRATULATIONS, RONALD, ON THIS WELL-DESERVED RECOGNITION!
