PROJECT HIGHLIGHT OF THE MONTH LAKE MARION

SOUTH CAROLINA

CWC's Federal Division has been working in South Carolina on the new design-build of the 500,000 gallon elevated tank for Lake Marion Regional Water Agency. The tank will measure 182' high with H - pile and a steel reinforced concrete pedestal foundation.

The new elevated storage tank will supply water to the Winding Woods Commerce Park, a hundred million dollar industrial site on U.S. Highway 78 near I-95 in Dorchester County. An estimated 450 new jobs will be created and will serve current and future industries including Woodland High School, Dorchester County Courthouse, and the greater St. George area.

THE NEW INCENTIVE PROGRAM

WORKING TOGETHER. BUILDING TOGETHER.

We are pleased to announce the new incentive program to employees, in an effort to recognize individuals and show how important your hard work is to our mission.

Supervisors will nominate one employee each month that they feel is going above and beyond for the company.

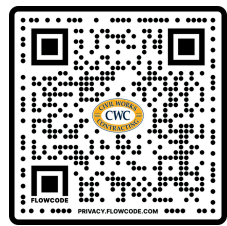

The nominees will also show:

- Dependability, Reliability and Responsibility
- Honesty and Integrity in their work
- Conflict resolution and communication skills
- Willingness to learn and improve
- Positive attitude toward Safety when it comes to themselves and others

Four outstanding employees will be chosen every month and will have the chance to win free gear, entertainment tickets, gift cards, and more!

First winners will be announced July 1st, 2022. Good Luck!!!!!!
